

Technical drawing of a window detail showing a cross-section of a wall and window assembly. The drawing includes a vertical section of a wall with a window opening. The wall is constructed of brickwork with a 50mm cavity. The window is a pre-cast unit with a sill on a DPC. The drawing is annotated with callouts and a list of components.

Callouts:

- 12mm Surrinno on top of 16mm MDF base, fixed securely to brickwork. To approved sample
- Aluminium windows to Schedule, installed to approved Shop Drawings
- Pre-cast Window Sill on DPC
- 50mm cavity in brickwork, with 3.5mm diameter galvanized fishtail shaped wall ties at 900 centres, with 50mm Lambda Board insulation in cavity.
