

Southern African Development Community (SADC)

Vision

A common future to sustained socio-economic development and reduced burden of HIV and AIDS.

Goal

By 2015, all SADC Member States should demonstrate a 50% reduction in the rate of new HIV infections on 2008 levels and mitigate concomitant impacts.

Priority Action Areas

- Policy and strategy development and harmonisation
- Capacity development and mainstreaming of HIV and AIDS
- Partnership and resource mobilisation
- Orphans, vulnerable children and youth
- Monitoring and evaluation of regional, continental, and global commitments
- Facilitating cross border initiatives for universal access to HIV services
