1	Kindly Clarify, if you want NEW Microsoft Licenses Or RENEWALS?	RENEWAL. We have 300 licenses; however, we are in the process of acquiring 244 new license for two months. These will be renewed together with the current 300 licenses, making a total of 544 license for M365 E3. Hence the quantity is 544.
2	I would like to enquire whether the reference SADC/3/5/4/70 bid is only subjected to companies in Botswana or open to SADC neighboring countries?	The tender is open to all bidders from all over the world.
